

## RD Certificate Number: EWS673

### Res-Tec GRP Roof 1010 System

#### Description

This is an assessment of Res-Tec GRP Roof 1010 System used for waterproofing of roofs, balconies and walkways.

The System consists of GRP Roof 1010 Base Coat Resin and Chopped Strand (CSM) Fibreglass Reinforcement Roll / Taping Mat applied insitu over a good quality OSB3 deck. The roof is finished with pre formed GRP edge trims and a GRP 1010 Top Coat.

#### Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

#### Validity

This system has been checked for compliance in accordance with English, Welsh and Scottish Building Regulations.

Registration was first issued on 11/07/16 and is valid until 11/07/20 providing there are no amendments to applicable regulations.

**Issue dated** 26/05/2017
